Writing Lesson, Examples & Practice Questions

How to Write About Your Favourite Sport in English

In this lesson, you will learn how to write a short paragraph about your favourite sport. This is a very common writing task in English. You might write about your favourite sport in a school project, on a personal profile, or in a message to a friend.

At the end of this lesson, you will be able to:

- Write simple sentences about a sport you like
- Say why you like the sport
- Use basic linking words like **and**, **but**, and **because**
- Use correct capital letters and full stops

Essential Writing Rules and Sentence Structure

Rule 1: Word Order (Subject + Verb + Object)

In English, sentences follow a clear order. We use: **Subject + Verb + Object**.

Subject	Verb	Object / Extra Information
I	like	football.
I	play	tennis every Saturday.
My favourite sport	is	swimming.
I	watch	basketball on TV.

Remember: Always put the subject first, then the verb, then the object or extra information.

Rule 2: Capital Letters

You must use capital letters in these situations:

- At the **start of every sentence** — *I like football.*
- For the word **"I"** — always write *I*, never *i*
- For **names of people** — *My friend is called Marco.*
- For **names of places** — *I live in London.*
- For **days of the week** — *I play on Monday.*

- For **months of the year** — *My favourite month is June.*

Rule 3: Full Stops and Punctuation

- End every sentence with a **full stop (.)** — *I like swimming.*
- Use a **comma (,)** in a list — *I like football, tennis, and swimming.*
- Use a **question mark (?)** at the end of a question — *Do you like sport?*

Sentence Builder: Your Sport Paragraph

Use this simple formula to build your sentences:

Sentence Number	What to Write	Example Sentence
Sentence 1	Name your favourite sport	My favourite sport is football.
Sentence 2	Say when or where you do it	I play football on Saturdays.
Sentence 3	Say why you like it	I like it because it is fun.
Sentence 4	Say who you do it with	I play with my friends.
Sentence 5	Add one more fact	My favourite player is Messi.

Useful Linking Words (Connectors)

Linking words help you connect two sentences or two ideas. At A1 level, use these four important connectors:

Connector	Function / Use	Example Sentence
and	Adds more information	I like football and I like swimming.
but	Shows a contrast or difference	I like tennis but I don't like running.
because	Gives a reason	I like football because it is exciting.
so	Shows a result	Football is fun, so I play every week.

Top tip: Use one or two linking words in your short paragraph. This makes your writing more interesting and connected.

Answer Key & Explanations

Write About Your Favourite Sport | A1

Part 1: Multiple Choice

1. **B** Correct Answer: I love football very much.
✓ Explanation: In English, we use **Subject + Verb + Object** word order. The subject **I** comes first, then the verb **love**, then the object **football**. *I love football very much.* is correct.
2. **B** Correct Answer: I play football on Saturdays.
✓ Explanation: The word **I** is always a capital letter. Days of the week like **Saturday** also start with a capital letter. Only the first word of a sentence and proper nouns are capitalised.
3. **C** Correct Answer: My favourite sport is swimming.
✓ Explanation: A statement sentence ends with a **full stop (.)**. A question mark **(?)** is only used for questions. *My favourite sport is swimming.* is a statement, so it needs a full stop.
4. **C** Correct Answer: because
✓ Explanation: We use **because** to give a reason. *I like tennis because I play it every week* explains **why** the person likes tennis. **But** shows contrast, and **so** shows a result.
5. **B** Correct Answer: I like football, and I play tennis.
✓ Explanation: We use **and** to join two ideas. A comma before **and** is correct when joining two complete ideas. *I like football, and I play tennis.* is correctly written.
6. **C** Correct Answer: i go running every monday.
✓ Explanation: This sentence has two mistakes. The word **i** must always be a capital **I**, and the day **monday** must be written as **Monday**. Days of the week always start with a capital letter.
7. **C** Correct Answer: My favourite sport is tennis.
✓ Explanation: The correct order is **Subject + Verb + Object**. *My favourite sport* is the subject, *is* is the verb, and *tennis* is the object. The sentence also starts with a capital letter.
8. **B** Correct Answer: I like swimming, but I don't like running.
✓ Explanation: We use **but** to show contrast between two ideas. A comma comes **before** but, not after it. *I like swimming, but I don't like running* correctly shows two opposite ideas.
9. **C** Correct Answer: What is your favourite sport?
✓ Explanation: A question must start with a **capital letter** and end with a **question mark (?)**. *What is your favourite sport?* follows both rules correctly.
10. **B** Correct Answer: Basketball is fun, so I play it every day.
✓ Explanation: We use **so** to show a **result**. Because basketball is fun, the result is that the person plays it every day. A comma comes **before so** when joining two complete sentences. *Basketball is fun, so I play it every day.*

Part 2: Fill in the Gap

11. **A** Correct Answer: **and**
✓ Explanation: We use **and** to connect two positive ideas together. *I love football and I play it every weekend.*

13. **A** Correct Answer: **but**
✓ Explanation: We use **but** to show a contrast or opposite idea. *I like tennis, but I do not play it very well.*
14. **A** Correct Answer: **Also,**
✓ Explanation: We use **Also** to add more information about the same topic. *Also, I play it on Saturdays.*
15. **A** Correct Answer: **so**
✓ Explanation: We use **so** to show a result. *I do not have a bicycle, so I cannot ride to the park.*
16. **A** Correct Answer: **or**
✓ Explanation: We use **or** to give a choice between two options. *You can play football or basketball with your friends.*
17. **A** Correct Answer: **because**
✓ Explanation: We use **because** to explain why something happens. *I play sport every day because it keeps me healthy.*
18. **A** Correct Answer: **and**
✓ Explanation: We use **and** to join two connected positive ideas. *Football is exciting and my friends and I love it.*
19. **A** Correct Answer: **but**
✓ Explanation: We use **but** to introduce an unexpected or opposite fact. *I want to swim today, but the pool is closed.*
20. **A** Correct Answer: **So,**
✓ Explanation: We use **So** at the start of a sentence to show a result of the previous idea. *I like running. So, I go running every morning.*

Part 3: Fill in the Blank

21. **football** Correct Answer: **football**
✓ Explanation: The sentence asks for a **sport** as the favourite activity. *Football* is a common A1 vocabulary word for a popular team sport played with a ball.

26. **but** Correct Answer: **but**
✔ **Explanation:** The linking word **but** shows a contrast between two ideas. *I like running but not swimming* means the two activities are different.
27. **Sundays** Correct Answer: **Sundays**

28. **is** Correct Answer: **is**
✔ **Explanation:** The verb **is** is used with singular subjects like *my favourite sport*. The structure is: *My favourite sport is basketball*.
29. **every** Correct Answer: **every**
✔ **Explanation:** The time word **every** shows a repeated routine. *Every day* means it happens regularly, which is common in A1 routine descriptions.
30. **team** Correct Answer: **team**
✔ **Explanation:** The word **team** describes a sport played by a group of people together. *Football is a team sport* means many players work together to play.
